ADDRESS OF THE GRAND MASTER

To The 187th Annual Assembly

Grand Council Cryptic Masons of the State of New York

To the officers and members of the Grand Council of Cryptic Masons of the State of New York, Past Grand Masters; Distinguished Guest and Companions.

It is my pleasure to welcome you to Rochester, the Flour City, for the 187th Annual Assembly of this Grand Council. I extend to each and every one of you my warmest and fraternal greeting.

It is especially nice to see a large attendance of not only the members of our own Councils of the state of New York, but also from our Sister Jurisdictions and General Grand Council of Cryptic Masons International along with M:.W:. Vincent Libone, Grand Master of Masons in the State of New York, M:.E:. Jeffery M. Williamson, Grand High Priest of the Grand Chapter of Royal Arch Masons of the State of New York, Sir Knight James MacConnell, Right Eminent Grand Commander of the Grand Commandery of the State of New York, Ill. Peter J. Samiec 33rd Degree Active, Deputy for the State of New York, Ancient Accepted Scottish Rite, Northern Masonic Jurisdiction.

Necrology

It is now time for us to remember those companions who have laid down their working tools and have been called to that house not made with hands eternal in the heavens. While we mourn their death, we are grateful for their lives, friendship and fellowship. M:.I:. and Reverend Charles M. Roberts will now give the Necrology Report and assist us in paying tribute to our departed Companions.
Grand Line Officers

I want to take this opportunity to thank the entire Grand Line, elected and appointed for their support and their attention to the duties and requirements of their respective offices and to represent this Grand Council and your Grand Master on their visits to other Jurisdictions.

To the Grand Chaplains I extend my thanks for attending to the spiritual needs of this Grand Council, its Officers and the Constituent Councils around the State.

A special thanks to the Past Grand Masters, who have been ready with suggestions, and the Knowledge of their experiences when I have requested help and for being there when I needed advice and sometimes when I did not ask for advice.

My Visitations

My intention for this past Cryptic year was to visit as many councils in this state and our Sister Jurisdiction as I could as time would allow. Of these visits I only made one council (Nun Da Waga #92) and one Sister Jurisdiction (Massachusetts), I did make it to the Northeastern Conference in Maryland; Grand Commandery of New York; the Grand Commander's Reception; Grand Chapter of New York; Grand High Priest's Reception; and St. John's Day; I did not make to Grand Lodge; New York Council of Deliberation; or to any of the Youth Organizations, to those I missed, I apologize.

Charities

I want to thank all those Companions who gave to the Grand Council Charity Fund. Contributions were about normal this year as the Charity Fund report will state. We have 49 new Life Memberships. Again I say thanks.

Rededications

There were two Rededications during my year, Nun Da Waga #92 and Doric #19.
Dispensations

I issued One (1) Dispensation allowing Ahwaga Council No 30 to entertain the Illustrious Companions of Pennsylvania for the purpose of conferral of the Royal Master Degree.

One additional thanks goes to my lovely wife and partner, Joanne. As some of you don't know, my wife is going through Chemo at this time. Back at the end of March, Joanne was in a car accident, while in the hospital they found a spot on her right lung, two months later they removed a tumor and a small node.

Finally it has been my pleasure to serve this Grand Council as your Grand Master and I'm looking forward to continuing to serve in any way that I may be asked.

Respectfully submitted,

M:.I:. Arnold Edward Palmer

Grand Master 2009-2010
Deputy Grand Master 2009-2010

To the Companions of the Grand Council:

I would like to thank all of the Companions for their confidence in me by electing me as the Deputy Grand Master. It has been both an honor and a pleasure to serve the Grand Council in this capacity. On a personal note, I would also like to thank all the Companions for their support and understanding after the passing of my mother in 2009. It was a very difficult time for my father and myself but your support helped get us through it.

During the past year, I attended the Northeast Conference in Baltimore, Most Illustrious Grand Master’s Palmer’s Reception in Rochester, Grand Chapter of RAM in Albany, the re-dedications of Nun Da Waga and Doric Councils, the reception of ME Jeffrey Williamson, Grand High Priest, in Hamburg along with St. John’s Day in Utica. During my run through the Grand Line, I was never assigned two districts to visit because of drop outs in the Grand Line so I accompanied RI Harley DeShane to Suffolk Council in the 1st District last May. I was well received and had a great time. It is my hope that I will be able to make another couple of visits to that district next year along with a visit to the other district I was never assigned to, the 6th District. As of this writing, I was planning on attending a Royal Degree which was to be put on by several Companions from Pennsylvania for Ahwagha Council in Owego in late June.

My main assignment during this past year was to get my act together for my upcoming year, if elected, as Grand Master. With this in mind, I got together a couple of times in person and kept in contact with several members of the immediate Grand Line to put together a 3-4 year plan to improve the functions of Grand Council to make it more accessible to all the Companions. These “modifications” will begin to take effect with my term with others to be put in place by my successors. They will be outlined in more detail in my Grand Master’s Address, but the main goal during the next year will be to improve Communication and Masonic Education. There will also be modifications to the various committees with specific duties assigned to each. I have not forgotten about obtaining new members and will promote a couple of programs which are already in place.

I would again like to thank all the Companions for the confidence they have in me and look forward to serving, if elected, as Grand Master next year.

Respectfully submitted,

David H Raymond
Deputy Grand Master
2009-2010
Here is my 09-10 report on my activities.

Feb. 10, 2010 --- Visit Hamburg Council
Feb. 11, 2010 --- Visit Buffalo- Keystone Council
Feb. 24, 2010 --- Visit Dunkirk Council #75
March 5-6------- Attended Grand Chapter Royal Arch Masons State of New York
July 23-24----- Attended COD State of New York
July 23---------- Attended Grand Lodge-Concordant Bodies Meeting

During my visits of the various Councils I saw a lot of reading of the ritual. We need to do a better job at learning how to open and close our Councils without the use of the book.

If we will not take the time to learn to open and close properly how can we expect new members to respect our great organization? Other than the usual problems of small membership I find our Councils doing well.

Fraternally Yours,

R.:I.: George B. Whitmer

**Finance and Accounts – Audits**

The Committee on Audits has reviewed the accounts and records kept by the Grand Treasurer M.: I.: Donald Harrison.

We have found them to be in good order and declare them approved.

Respectfully submitted,

I.: Christos Papadopoulos

I.: George D. Emmons

I.: Louis Leone

My Companions, let me preface this report by saying that my first year as your Grand Recorder has been quite an experience, due mainly to the lack of voluntary cooperation from my predecessor. By his own words, all materials were to be turned over to me by the end of September 2009.

Well, on December 14, 2009, after consultation with our attorney, a moving van was dispatched to his residence in Buchanan to retrieve all the equipment and records of the Grand Council. This was met with partial success, and some of the old records were obtained and brought to a secure climate-controlled storage facility near my home. The Grand Council computer was still hooked up in his house, and was not made available, nor were any of the records for 2009.
On January 2, 2010 our attorney traveled to Buchanan to secure the computer, which was then brought to my home in Albany. Upon my investigation of the contents of the hard drive, I determined that NONE of the records for the 2009 Assembly were stored there. At our Workshop in March, the District Deputy for that District volunteered to speak with the Past Grand Recorder, in an effort to resolve the problem. The meeting took place, and the District Deputy reported to me that my predecessor would send me the tapes of the Assembly. This still has not been accomplished. As of this writing, I have no minutes for last year’s Assembly, in addition to other materials which are the property of the Grand Council.

In conversation with the General Grand Master of Cryptic Masons International, Joe Vale, this problem was mentioned, and he subsequently spoke to my predecessor via telephone. My predecessor assured Joe Vale that “all the items had been turned over” to me, which is not true.
Your Grand Council, on authority of M:.I:. Arnold Palmer, has begun litigation in an attempt to secure all these records still in the possession of my predecessor. This whole process has so far incurred costs in excess of two thousand seven hundred dollars, as listed in the report of the Grand Treasurer under item B-6, miscellaneous, since there was no category under which to list these types of expenses.

I began, in January, sending written requests to all the Recorders, asking for copies of their rosters so I could build a computerized database of our membership, since I was unable to find complete records on the above-mentioned computer. Lots of individual records, but no complete database. To date I have received those rosters from all Councils except one: Peekskill Council. Hopefully, someday, this project will be able to be completed.
There are three charts included with this report: one showing the greetings, affiliations, demits and suspensions by number for each Council, and another listing, by Council, the individual names of those Companions; and finally, a listing of all active current and past Illustrious Masters. I ask all Recorders to check these reports, and verify their accuracy. Contact me via phone or e-mail if there are any corrections needed.

For the 2009-2010 Cryptic Year, our greetings outnumbered our deaths – however, demits and suspensions took a heavy toll. Our membership is down by over 30 – and when you have less than 1500 members to start with, the percentages are not good. Since I don’t have the complete records, I can’t give you an actuarial figure, but we ARE greeting some younger Companions. Hopefully next year’s report will have some accurate figures on our aging.

GRAND CAPTAIN OF THE GUARD 2009-2010

I was very pleased with my visits to the Councils in the Sixth District. The recognition, courtesies and fellowship were great in all the Councils in this District. The Councils in the 6th District are all grouped nicely in the center of the State and mostly near the Thru-Way. I made myself knowledgeable of this District’s status by the previous DD’s and AGL’s reports in order to check issues of importance.

I visited Fulton Council #50 who’s opening and closing was done very well, followed by the exemplifying of the Royal Master Degree. Their work was excellent, as they are apparently blessed with a core of good ritualists. Economics and attendance in general are tight.

The next visit was to Central City Council #13 in Liverpool. This Council is blessed with new members and is aggressive to go for more candidates. This would probably explain the use of the ritual books in their opening and closing. However, the ILL. Master Vassily presented a Historical Lecture and explanation program for the evening which was very interesting. With his aggressive leadership and knowledge I believe that the books will disappear. With assistance and time they will be able to do the Degrees.

My visitation to Rotica Council #12 in Vernon was another good experience. Opening and closing was done well. This Council appears to be active with strong leadership and capable of doing their own Degree Work. This is the home Council of the AGL Stuart Card. This Council is in possession of a Past Grand ILL. Master who will not allow it to be short changed.

King Hiram Council #18 appears to be the District’s weakest Council of the District. However, this Council had the largest number
in attendance at my visits of the District. Surrounding Councils came out and supported King Hiram Council. The DD ILL. Grand Master Max Bovee and the AGL Stuart Card visited that evening also.

The Council furtherest north is King David #97 in Dexter, N.Y. near Fort Drum. They recently moved there in search of candidates, who appear dedicated and doing well for a small for Council. Time will tell if this move was right. This Council was the only Council to be recognized last year by Grand Council International for 10% increase in Membership. King David Council #97 is the home Council of DD ILL. Grand Master Max Bovee.

On March 17, 2010, R.I. Len Mason and myself visited Cayuga Council #90 in support of PCW R.I. George Whitmer who is dealing with some health issues. Observation of the opening and closing was the use of some books by members who had recently just been moved up. I am sure this will improve as there are two members of the Grandline Officers in this Council.

The Sixth District appears to be stable and functioning well with some of the same problems that all Councils own.

I thank the M.I. Arnold Palmer for the opportunity to expand my acquaintance thru-out N.Y. State.

Fraternal Respect

R.I. Richard C. Anderson   Grand Cap’t Guard

This year has been even more enjoyable than last year which I thought was one of the best Masonic years I ever had. I was assigned District #4 for my visitations which was the opposite end of the state as last year.

District #4 includes Bloss-Dewitt Council #14, Joseph Warren- Cryptic Council #37, St. George’s Council #74 and Oneonta Council #87.

In Bloss-Dewitt Council #14, I found the companions very helpful and gracious. I also observed several ritual books open and used.

It was the District Deputy’s Official Visit and he was received properly with the appropriate respect due the position.

On this evening they guaranteed an appropriate contribution to the Grand Council Charity Corporation.

Joseph Warren – Cryptic Council #37, was one of the most enthusiastic Councils I visited. They are working to regain their previous status they enjoyed several years ago. They expressed their appreciation and showed their pride wearing the new aprons which St. Georges Council has provided.

The meeting I attended was their first of the year for the officers and they were a little rusty. Rituals were in use by many.

R. I. John Patterson is providing interesting programs for the year and the one for the evening was very interesting. I believe this will help maintain the interest and enthusiasm I observed.

St. George’s Council #74 meeting was well attended to discuss a proposed budget review. During the dinner preceding the meeting and during the meeting it was apparent that the members were very content with their Council and its operation.

There were no rituals observed at any station and all officers were well versed in the work for the meeting.

During an open discussion after the regular meeting, the members were expressive on their viewpoints and suggestions in a positive and constructive way.

Oneonta Council #87 is a well established Council and its opening was very proficient and showed that the officers had pride in their work and their Council. Rituals were not in use.
They draw from a large area and each locality shares in providing the evening lunch and refreshments for meetings.

This past year, our Grand Principle Conductor of the Work, George Whitmer has had some medical issues and in an attempt to provide visitations to the two furthest Councils on his assignment list, the Grand Captain of the Guard and I offered to make those for him.

Since I was going to be in the vicinity of Ahwaga Council #30, I sent my letter of intent to attend with the date and then confirmed the visit shortly before the visitation date with the recorder. I arrived in Owego, prepared for the meeting and went to the Lodge building. There was no evidence of anyone being there so I called the recorder and was informed that they do not hold meetings in February. I was unable to meet the commitment for this visitation.

In late April I attended the Pennsylvania Grand Council Annual Assembly with the Grand Captain of the Guard. It was very interesting and some parts more ceremonious than in New York.

Later this month of May we will be attending the Annual Assembly of Ontario, in St. Catharines.

Respectfully Submitted,

R. I. Leonard Mason
Grand Conductor of the Council
GRAND MARSHALL 2009-2010

I made two visits in District No. 1 this past year.

My first visit was to Columbia Council No 01 and it was a great enjoyable experience. The Council was conferring the Royal and Select Degrees that night. I have never seen a better Royal Degree in my life. I recommend that C. Marco J. Henry (he conferred the Royal Degree)is watched as for some future appointment (he is that GOOD). Companions Thomas Abbott and Placido Corpora of Cayuga Council No. 90 traveled to New York with me. Companion Abbott would like to go down for there 200th Anniversary in Sept 2010. After the meeting most of the Companions went across the street and had an enjoyable meal and very good FELLOWSHIP.

My 2nd visit was to Suffolk Council No. 76 and we (The DGM) and I were taken out to dinner before hand at a local Restaurant and it was a very nice place and a GOOD meal was had by all (18) companions. Then when we went to the meeting and it was nice and the council meeting ran very smoothly. See my report on Suffolk Council for more information.

I did not get out to the rest of the Council District No. 01 (I was informed that I did not have to visit every council in the District) but I plan on attending some of the other council in the future.

I have been active in my own council as I.M. this past year (Cayuga Council No. 90) and I am trying to get new members to join and be active after they join.

Fraternally,

R.:i.: HARLEY R DE SHANE, Grand Marshall
District No. 2

I contacted the Councils within Cryptic District 2 with limited success. I visited King Solomon's Council in November of 2009. This Council is holding up very well, considering they can turn out nine Companions for an Assembly out of their total roster of fourteen. The Chapter in this District has petitions pending, and they are expecting the new Royal Arch Companions to join the Council.

I heard from the Recorder of Peekskill Council #55, Paul Mathews, who stated that they did not have a location to hold their meetings. He said he would contact me when they would finalize a new meeting location. I did not get any further communications from Paul.

I did not receive communication from Union Council No. 2 or Goshen Council #93. There was some errors in their meeting dates listed in the paperwork received at the last grand session and may have been the problem setting up visitations. I know councils in this district have had trouble getting enough Companions together for a meeting.

I did however make meetings in my own district including festivals and a rededication at Nun Da Waga Council No. 92 in Attica, NY.

I have already begun planning my visits in the fall and next year, and will do my best to visit the Councils within District No. 2.

Respectfully Submitted,

Leo G. Synakowski
My Companions,

The Grand Council charges each Grand Line Officer with the duty of visiting a Cryptic District. This year, I had the honor of visiting the Eighth District located in the Finger Lake Region of our beautiful Empire State.

Skoi Yase Council No. 75

On Monday February 15th, I conducted my official visit to Skoi Yase Council No. 75 in Geneva. I found the Council in good health and spirits. They were looking forward to my visit and came together for a pre-meeting dinner at a local restaurant. However, attendance and ritual could have been better.

Doric Council No. 19

On Wednesday February 17th, I conducted my official visit to Doric Council No. 19 in Pittsford. Originally, there was to be a degree that evening. However, it was either cancelled or postponed. It was never fully explained to me. Otherwise, it was a good meeting.

King Hiram Council No. 18

On Tuesday February 16th, I paid a social visit to King Hiram Council No. 18 in Port Byron. Although, not actually in the Eighth District geographically, King Hiram Council No. 18 was not far from my hotel in Farmington.

In Conclusion

I acknowledge with appreciation many of my Companion Grand Council Officers.

Most Illustrious E. William Whittaker was especially cordial by inviting me to King Hiram Council No. 18, calling for me at the hotel and just looking after me.

Can you remember your own greeting? With interest in Cryptic Masonry comes our involvement in its mission and tenants, and this will lead to activity in our programs and fellowship. This is my desire for the Eighth District and should be their aim.

Remember, "a chain is only as strong as its weakest link." So it is with Cryptic Masonry. We need to strengthen the weak link of attendance and continue to move forward and grow.

Congratulations, to all newly greeted Companions and the participants in this year’s degrees.
Change is needed throughout the organization. Poor attendance, amateur ritual and a complacent attitude is a direct result of inadequate membership screening. Why don’t Masons care these days?

Additionally, I had a chance to fly out to the State of Washington. On May 18th, I attended the Annual Grand Assembly and had the privilege of being at both their morning and afternoon sessions and their Annual Installation of Grand Council Officers.

Respectfully submitted,

Charles V. Bunton
Grand Steward
REPORT OF THE GRAND FRATERNAL CORRESPONDENT 2009-2010

To the Most Illustrious Grand Master and Companions of the Grand Council of Cryptic Masons of the State of New York:

The following is the Report of the Grand Fraternal Correspondent for the Cryptic year ending August, 2010.

I would like to thank Most Illustrious Arnold Palmer for the appointment as Grand Fraternal Correspondent.

I received the proceedings of 6 jurisdictions of Cryptic Masons or Royal and Select Masters on your behalf. Analysis has been done with an eye towards subjects, issues, problems and ideas that we may discuss among ourselves, both formally and informally. In addition, we are always looking for things that are interesting, unusual and fascinating.

"Good Communication" is always an issue and an area of concern. However, from the reports that I received from the Grand Representatives of the jurisdiction with whom we are in amity, these companions are not in touch with their counterparts or with the jurisdictions themselves.

Respectfully and Fraternally Submitted,

Most Illustrious Francis "Iggy" Karwowski

Proceedings of the 191st Annual Assembly of The Most Puissant Grand Council of Royal and Select Masters, Rocky Hill, June 6, 2009

RECOMMENDATIONS
I believe our Grand Council will be in GREAT hands for years to come with the leadership that is now in place. I would recommend the following thoughts be reviewed (they are not new ideas):
1. There must be a continuation from year to year for grand sessions and overall procedures. This year, a three year contract was signed with the Hotel. All principals were at this meeting.
2. All Grand Officers should visit as many Councils as possible and be with the MPGM when it is practical. With gas prices slightly more than half what they were last year at this time, cost should not be as much of an issue.
3. That the position of Grand Lecturer be reviewed for usefulness and function.
4. That all Grand officers be proficient in opening and closing in any office they may be called to fill to be able to assist a Council in correctly opening and closing.

GEORGIA:
Most Illustrious Grand Master Wayne Garrett
Proceedings of the 166th Annual Assembly of the Grand Council of Royal & Select Masters, Macon, May 4, 2009
Highlights of address
Companions in my travels throughout Georgia I have found Councils that are very active and proficient in the ritualistic work while others show little interest. We are fortunate that the Good outweighs the Bad. We have increased activity in a lot of areas and we can only hope that this trend will continue. While it would please me to report to you that we have a gain in membership, I am afraid that we do not. The festivals that we have been fortunate enough to participate in during the year and the Companions that have been exalted in other Festivals and regular Council meetings have reduced our loss.

OKLAHOMA:
Most Illustrious Grand Master Edward D. Snyder
Proceedings of the 115th Annual Assembly of the Grand Council of Cryptic Masons, Oklahoma City, March 27, 2009

Highlights of address

The betterment of York Rite Masonry of Oklahoma. I hope what we have tried to do will have a lasting and positive impact for many years.

RHODE ISLAND & PROVIDENCE PLANTATIONS:
Most Illustrious Grand Master David Ringling

Highlights of address

The Grand Master stated that he had major surgery, which prevented him from completing some of his visits. He will undergo more surgery in the future. He thanked all who helped him during his tenure. Rhode Island has problems attracting officers to the Grand Line. Illness has plagued the line for 2 years. The MIGM term is for 2 years, which salves some of the problems. Their line for the next 2 years looks promising.

REPORTS FROM GRAND REPRESENTATIVES

Of the Grand Councils with whom we are in amity, we have 43 accredited Grand Representatives, as of this writing. A questionnaire was sent out earlier this year to assist them. Responses were received from 19 of those Grand Representatives.

The majority know their responsibilities, who their counterpart is and are in touch with them.

To:

Most Illustrious Arnold Palmer, Grand Master of Cryptic Masons 2009-2010
The Current 2009-2010 Cryptic Grand Line Officers
Right Illustrious, Very Illustrious, Illustrious Companions, Companions All

Greetings and Salutations!

I would like to thank M:.I:. Arnold Palmer for appointing me as Grand Lecturer during his term of office 2009-2010. I welcomed the opportunity to continue to serve our Grand Cryptic Council and hope he, as well as each one of you, felt the same.

It was my job to be sure that I communicate what I see as strengths and difficulties in our councils -- primarily by way of our ritual. With the help and assistance of the Assistant Grand Lecturers they continue to provide me with the audience necessary to conduct superb Grand Lecturers Conventions. What defines the word "superb"? It is not the amount of companions, nor is it the "brass" that attends them -- it is about the coordinated efforts of the District Deputy Grand Master, the AGL and myself (we three or three such as we, etc.) This past Cryptic year, similar to the previous one, showed a wealth of attentiveness and camaraderie within the ranks of councils visited that I thank each and every companion for showing to this lonely traveler! The following councils are to be commended (with comments) for hosting the 2009-2010 Grand Lecturer's Conventions which this year's school of instruction included not only the opening and closing of a council of Select Masters but also:

a. The proper hand movement/placement where the word is "buried" via Hiram Abiff's 3 circumambulations (page 37, 43)
b. The proper method of hand and arm gestures for candidates to "be received under the wings of the Cherubim" (page 40) and lastly
c. Going over the proper method of teaching candidates the sign, sign of recognition, grip, principal word and principal words of a Royal Master (pages 45-46).

District 1: FLATBUSH COUNCIL NO. 80 (HOST)
V:.J:. Spiridon Arkouzis [AGL], R:.J:. Richard Schulz [DDGM]

It was a pleasure travelling to NYC and working with these two companions as well as the officers of the host council. This council is an example of "the little engine that could". It is no secret to some that Flatbush Council has had a rough road ever since the demise of a few of their noteworthy companions that seemingly held the glue of the council together. Without them it appeared that the council was doomed, but with the help of a few able bodied companions willing to roll up their sleeves and with the help of their sister Commandery, they have been able to meet, elect officers and it was with the leadership and
insight of the AGL & DD. I thank them for convincing me to "just wait". The councils that were in attendance, and to be equally thanked for their support, are:

Columbian No. 1   Adelphic No. 7   Suffolk No. 76   North Shore No. 88

District 4: JOSEPH WARREN CRYPTIC COUNCIL NO. 37 (HOST)
R:.I:. Alan C. Lewis [AGL], R:.I:. Philip Arony [DDGM]

Travelling to Saratoga Springs to meet with the companions was outstanding. Similar to my freshman year, the 4th District does bring out the "brass". I was greeted by many familiar companions & friends of the Grand Line (current & past) and will continue to thank them for their continued support by showing up for my educational classes! Even though the AGL had a prior engagement to attend to (as was noted early on when the date was sent with his regards) the class was run smooth with and in the able hands of the District Deputy. The councils that were in attendance, and to be equally thanked for their support, are:

Bloss De-Witt Clinton No. 14   St. Georges No. 74

District 6: FULTON COUNCIL NO. 50 (HOST)
V:.I:. Stuart W. Card [AGL], R:.I:. Max Bovee [DDGM]

Prior to going to the 7th District I made my way to Phoenix (NY that is) to visit with the companions there. This was a *special* night. To start, nobody informed Garmin (my GPS) that the town of Phoenix had renumbered some of the houses/roads. I was looking for 827 Main Street. It wasn't until I called Stu and he went outside and said, "hey, there is an old etched number that says 427". So I turned out of the wheat field which I was in and headed back. Secondly, Stu had already informed me that this was not only going to be a school of instruction night but a degree night! No problem, but it came with...yep, another *special surprise*... Our very own Past Grand Lecturer (and resident ritualist) R:.I:. Bill Vassily took ill and was unable to perform & be present - guess what his role was? - nope, too easy if it was Ahishar, it was of King Solomon! Your Grand Lecturer had to cram the part and with some prompting from V:.I:. Companion Card and the purple book...extreme circumstances called for extreme solutions, we were able to greet new companions who had otherwise been on the various councils trestleboards for a while. The councils that were in attendance, and to be equally thanked for their support, are:

Rotica No. 12   Central City No. 13   King David No. 97

District 7: CAYUGA COUNCIL NO. 90 (HOST)
R:.I:. Timothy Heslop [DDGM]

April was a busy month for me with having three near back-to-back GLC's. I was fortunate enough to schedule some of my vocational clients in the Rochester area around this time to lessen the load and travel for me. A week before travelling to Phoenix, NY I was greeted in Trumansburg. Talk about mixing, mingling and "schmoozing" with the BRASS - it was great to be in the company of our Deputy Grand Master – R:.I:. David Raymond, who has been keeping his eyes on me to be HIS choice for Grand Lecturer the day he is elected as Grand Master. Might be reaaaal soon Dave (smile). Also present was M:.I:. Harvey Payne, Past
Grand Master Cryptic Council NYS, who continues to keep me on my toes with stumper questions which I promise to have an answer for him regarding Florida Cryptic Ritual! Cayuga Council was present and in full force for this GLC and appreciate all that were in attendance.

District 8: PALMYRA COUNCIL NO. 26 (HOST)
R:.I:. David A. Hardy [AGL], R:.I:. Norman P. Austin [DDGM]

After leaving Phoenix, NY on the 28th of April, I had some business in and around Rochester as previously stated, so I was fortunate enough to travel to Palmyra on the 29th to be with the companions there. Now HERE, was a BRASS reception!!! This was my LAST convention and it somewhat reminded me of my FIRST one last year in the 4th District. Looking around the room were definite familiar faces in and out of this elite concordant body...starting with and in no particular protocol order:

Past (Cryptic) Grand Master, Grand Trustee & Grand Chaplain M:.I:. Charles M. Roberts
Past (Cryptic) Grand Master & Past Grand Lecturer M:.I:. E. William Whittaker.

And from our Grand Commandery

Sir Knight Steven Wing, Grand Recorder
Sir Knight James MacConnell who is now our Right Eminent Grand Commander of the Grand Commandery Knights Templar-New York.

Also mentioned but as he is a member of the Commandery Grand Line also is Sir Knight Charles Roberts, Grand Junior Warden.

The councils that were in attendance, and to be equally thanked for their support, are:

Doric No. 19 Hornellsville No. 35 Bath No. 40 Skoi Vase No. 75 Nun Da Waga No. 92

There were two districts who did not conduct a GLC/School of Instruction this Cryptic Year and this Grand Lecturer has concerns over and about one of those districts. Excuses were given, offered and accepted in advance from the 9th District as R:.I:. (& M:.E:.:) Jeffrey Williamson began his reign as the Most Excellent High Priest of Royal Arch Masons in the State of New York. I believe that, going forward, for the next Cryptic year this has been resolved.

The 2nd District has went two years without a convention. I am more concerned that the companions that are in this council are losing out on the benefits that I hope that I am offering as a servant of instruction from their Grand Council. I do hope that this is also being addressed and resolved for the next Cryptic year.

Companions I hope that the minor criticism and/or corrections that were made during the conventions were acknowledged as a course of learning procedure and not taken in any way with malice and/or offense. The purpose of this year's convention was to point out some of the simpler things that many of us take for granted in doing, not doing, or incorrectly doing and/or not explaining in the opening, closing & degree ritual itself. Thus we fail our new(er) companions when we don't deliver the message(s) properly. I hope I was able to do just that.
York Rite Masonry is taking on a NEW meaning to many of our brothers- new and old alike. For every 10 brothers that are raised, the Royal Arch is receiving about 3-4 of these brothers. For every lodge the Royal Arch is receiving about 1 or 2 for every 25 members additional on their roster. This means that the Royal Arch chapters are exalting approximately 4-6 companions on an average. The Cryptic Rite should be able to introduce itself to these companions and invite/intice them to join. What I have seen work well is working close with the Commandery(ies) in the area. Let's work together! Explain to the companions that while the Commandery is considered, to some, the next progressive set of degrees/orders, that to "complete" the Hiramic legend as I was told, one should also become a member of the Cryptic Council. Let us do justice and work together for the York Rite cause!

Zealously & Fraternally

THE ANNUAL REPORT OF THE WEBSITE COMMITTEE

Most Illustrious Grand Master, Grand Council Officers and Companions All:

I wish to convey the sincere thanks of this Grand Council for Companion John Henry's work as Webmaster prior to his death. Companion John was very faithful to keeping the Website current for use. Upon Companion Henry's death, I once again resumed the position of Webmaster in order to facilitate in keeping the Grand Council website active and current.

The Website Committee would like to report that our website has been kept up-to-date throughout the year. The site has been an effective communication tool for Cryptic Masonry in this state and beyond. The website still gets great reviews from those who use it for its simplicity of format and content. Yet the website is still under-utilized by the Districts and their respective Councils and/or District Deputy Grand Masters and Assistant Grand Lecturers. We had hoped that postings from these entities would have increased this year but it has not materialized.

It is the hope of the Website Committee to implement a Statewide York Rite Calendar page or provide a link on our website to one in the near future. The purpose of this is to facilitate communication and knowledge about events and happenings of other NY State Masonic Bodies in hopes of avoiding conflicts and to promote together the furtherance of Freemasonry in general and York Rite in particular throughout this great State of ours.

One concern that came to the attention of the Website Committee this year since the conception and institution of the website is that of meeting the requirement for privacy and yet for dissemination of needed information. We may have to take the website to the next level, that of, implementing pass codes in order to assure privacy for our Companions and Councils.

Once again I would like to encourage anyone who would like to work on the Website Committee or assume the Webmaster's position to speak with the Most Illustrious Grand Master as soon a possible.

Respectively Submitted,
On Behalf of the Committee
M:.I:. Charles M. Roberts, PMIGM, Website Committee Chairman
DISTRICT DEPUTY GRAND MASTER 4\textsuperscript{TH} CRYPTIC DISTRICT: 2009-2010

15 October 2009-Visitation of RI Len Mason, Grand Conductor of the Council to St. George's #74, Schenectady, NY

19 November 2009-Official visitation to St. George's Council #74, Schenectady, NY

This Council met at the Northville Masonic Temple under dispensation (requested) as it has for the past several November assemblies to give the Companions from the Fulton-Montgomery County area a break from their normal monthly travels to Schenectady. As usual the fellowship over cocktails and dinner was outstanding. Ritual work was quite good. Attendance was 20 plus 2 guests including MI Pozefsky, Grand Recorder, and Companion Eric Benson, both of Bloss-DeWitt Clinton #14. The latter presented the Master with an apron belonging to a Grand Rep to Rhode Island from St. George's #74 dated 1946, which was discovered in the Commandery armory at the Albany Masonic Temple. Books and records were in good form. I noted that this Council has not scheduled degree work for this year, having no candidates, but suggested they at least exemplify one degree to keep in practice. At the assembly Companion Henry Michelin volunteered to be their Council Charities Chair as requested by MI Arnold Palmer. Also presented the Council with a Grand Council award for best attendance at the 2009 Grand Assembly in Albany. Again emphasized the need to use Who Are the Cryptic Masons program in constituent Chapters to generate membership interest. Ended by reading RI Harvey Eysman's piece Whence Came You-Whither Are You Traveling from the Royal Arch Mason magazine.

20 November 2009-Visitation of RI Len Mason, Grand Conductor of the Council to Joseph Warren-Cryptic #37, Saratoga Springs, NY

8 January 2010-Official visitation to Joseph Warren-Cryptic #37, Saratoga Springs, NY

Opened in good form with some reading assistance. New officers aprons are now in use, purchased with a donation from St. George's #74. Degree robes are now stowed in this Temple after being discovered in a trunk in the Schenectady Temple, are in decent shape for their age. Finances are stable at about $4300. New officers in all chairs although some absent tonight. Programs have been presented this year including historical lectures and a Festive Board with the ladies. William Cranker was appointed Charities Chair at this meeting. They have one candidate in waiting (less than a month) but will have to export him to another Council for the degrees. Suggested they try to at least exemplify one degree this year by reading the parts to get familiar with the ritual. Offered outside assistance to do so. Recorder Lehr is now quite familiar with his duties, is well organized, and has attended MasonsOnLine administrative seminar to enable this Council to be set up on the web site shortly. This Council was
designated to host the District Grand Lecturers Convention by AGL Alan Lewis. Originally scheduled for November 2009 this was postponed until 12 March 2010 as the Council had a change in meeting night approved via a by-laws revision at the last Grand Assembly. Unfortunately this now conflicts with the meeting night of Bloss-DeWitt Clinton #14 in Albany but due to crowded calendars, we must stay with the choice made. Different arrangements, perhaps a Saturday Convention, will have to be made for next year.

12 February 2010-Official Visitation to Bloss-DeWitt Clinton #14, Albany, NY

Opened in good form with some reading assistance. PCW and some other Companions were absent due to work requirements I Fred Beitter, Master of St. George's #74, was in attendance along with I George Prentice, PM St. George's #74, and RI Norman Hopson, GR Idaho and Grand Musician from St. George's #74. Also visiting was RI Leonard Mason, Grand Conductor of the Council. RI Joseph Pozefsky, Grand Recorder, is Recorder of this Council and RI Leo Synakowski, Grand Standard Bearer, is Treasurer. Presented Grand Council award from last August for per capita participation in Grand Council Charities.

By motion tonight this Council approved $5 per capita donation to Grand Council Charities and also $100 donation to the Grand Masters Fund in my honor. They have five degree candidates in waiting and may have more after a Holy Royal Arch conferral at Ancient Temple Chapter #5 coming up. Royal and Select Master degrees are scheduled to be conferred this spring. I Martin Leukhardt, Master, is evidently a strong leader and has his Council well in hand. Communications and Trestle Board are in use and dinners precede every Assembly. MI Pozefsky has been appointed Charities Chairman for the Council. Books, records, etc. are in good form and Quicken is now being used for financial records by both Treasurer and Recorder. The Grand Lecturers Convention will be held on this Council’s meeting night 12 March 2010 at Joseph Warren-Cryptic #37 due to the approved change in meeting night of the latter. My decision was to have this Council go dark for that Assembly for the purpose of convening with Joseph Warren-Cryptic #37 in Saratoga for the Convention.

5 March 2010-Grand Council Officers Workshop

At the invitation of DGM David Raymond attended the Grand Council Officers Workshop held over lunch at the Annual Convocation of Grand Chapter Royal Arch Masons State of New York in Albany. Presented the state of the 4th District by request and took part in discussions as appropriate.

12 March 2010-4th Cryptic District Grand Lecturers Convention

Opened the 4th Cryptic District Grand Lecturers Convention at Joseph Warren-Cryptic Council #37 in Saratoga Springs, NY. Grand Lecturer RI Curtis Alan Banks presented a program on the ritual for opening Council Assemblies and also
on specific portions of the ritual for the Royal Master Degree and Select Master Degree. There were 25 Companions in attendance from St. George's #74, Bloss-DeWitt Clinton #14, and Joseph Warren-Cryptic #37. Oneonta #87 was not represented. Among the attendees were MI Joseph Pozefsky, Grand Recorder and Past Grand Master; MI Francis Karwowski Past Grand Master; RI Leo Synakowski Grand Standard Bearer; RI Richard Clark, Past Grand Sentinel; Philip Stevens, Past DDGM 4th District; and several Grand Representatives. Companion Henry Michelin, PCW of St. George's #74, gave the invocation and benediction. Good fellowship was enjoyed over venison stroganoff supper prior to the Assembly prepared by members of the host Council.

9 April 2010-Bloss-DeWitt Clinton Council #14 Albany, NY-Stated Assembly

Attended this Assembly to witness the conferral of the Royal Master Degree on 13 Companions (11 from Bloss-DeWitt Clinton #14 and 2 from Joseph Warren-Cryptic #37 of Saratoga Springs). Fellowship and dinner were enjoyed before. The opening ritual was well done. I was escorted in and accorded Grand Honors after which I introduced the other Grand Council officers present including MI Joseph P. Pozefsky, PGM, Grand Recorder, and Recorder of the Council; MI Francis I. Karwowski PGM (who portrayed Hiram Abiff); MI Jay Kossoff PGM; RI Leo Synakowski, Grand Standard Bearer and Treasurer of the Council; RI Jerry Irwin PDDGM; RI Philip Stevens PDDGM; and RI Alan C. Lewis AGL. The degree conferral was very well done with excellent work by Companion Eric Benson, PCW as Conductor of the Council; RI Irwin as Illustrious King Solomon; and RI Alan Lewis as Hiram King of Tyre. MI Karwowski did an exemplary job as Hiram Abiff. I congratulated Marty Leukhardt for the fine work of the evening. The Select Degree will be conferred at a Special Summoned Assembly on 30 April 2010.

28 April 2010-Official Visitation to Oneonta #87, Oneonta, NY

Opening ritual was excellent. Attendance was 13 including 3 in my visiting party. The Recorder is a recent Past Master who will relinquish his position to the sitting Illustrious Master upon the completion of his term. The Treasurer, MI Wayne Carrington, recently passed away. A new Treasurer was named but was absent due to illness. Assistant Treasurer MI Fred Hickein was present. Books and records appeared to be in good order but I suggested the Recorder and Treasurer use Quicken or some other computer based record keeping as they are not now using cash books. They have 50 members, no petitions in hand, do their own degree work, and will be using the What Is Cryptic Masonry program in Chapters in the near future. Assets are minimal at $2635 but stable. This Council has many dedicated Masons as members, represented by PGHP Newsham, PGHP Stoy, and PGHP Hemstrought, all of whom were in attendance, in addition to PGM Hickein. Good fellowship was enjoyed at dinner prior to the Assembly.
Installed the officers of this Council for 2010-2011 with the assistance of RI Conrad Kupinski of St. George's #74 as Installing Marshal and I George Prentice of St. George's #74 as Installing Chaplain. By vote of the Council this Assembly was held in casual attire as a hot dog and hamburger barbecue supper was prepared by the members prior to the meeting. Newly installed Illustrious Master Gary L. Bolster, Sr. is a seasoned Mason in other bodies and seems to have a good plan to continue the forward momentum this Council has established.
District Deputy Grand Master Sixth District 2009-2010

ROTICA No. 12 – VERNON, NY

Official Visit on 8/17/09 – 10 present including A.G.L. Stuart Card.

They have 49 members, hold seven stated assemblies with an average attendance of 9, and are able to do their own degree work. This Council is financially stable, draws from 4 Chapters, and communicates by a quarterly trestleboard. Plans for the past year included a community service project, York Rite Holiday Dinner, and other entertaining/educational programs. Rotica Council has great leadership including Past Grand Master M.: I.: Richard Hadley – Recorder and I.: Dennis Davis, Master. This is an active functional Council.

CENTRAL CITY No.13 – LIVERPOOL, NY

Official Visit on 5/12/10 – 12 present, A.G.L. not in attendance.

They have 54 members, hold 7 stated assemblies with an average attendance of 12, and are able to do their own degree work. This Council is financially stable, draws from 4 Chapters, and communicates by a monthly newsletter. They have received a number of new Companions during the past year, especially from the Oswego area. Central City Council is among the most active in the 6th District. R.: I.: William Vassily and R.: I.: Charles Patchin are among a core of capable leadership.
KING HIRAM No. 18 – PORT BYRON, NY

Official Visit on 11/17/09 – 15 present including A.G.L. Stuart Card

They have only 17 members, some of which reside out of the area. On 11/17 they had 6 members and 9 visitors present, the meeting being preceded by dinner at a local restaurant. They try to hold 4 stated assemblies, with an average attendance of 9 (including visitors). As might be expected, they are unable to do degree work without assistance. They are financially stable. This Council draws from 2 Chapters and communicates as necessary by phone. King Hiram is by far the weakest Council in the 6th Cryptic District, but they are to be commended for doing the best they can considering the constriction.

FULTON No. 50 – PHOENIX, NY

Official Visit on 9/23/09 – 14 present including A.G.L. Stuart Card

They have 43 members, hold 7 stated assemblies with an average attendance of 9, and are able to do their own degree work. This Council has limited resources, but bills are current. They draw members from 4 Chapters and communicate by telephone as needed. R.:I:. Alan Downing – Recorder is the primary mover in this Council. While not strong, they seem to be holding their own. They have had no candidates or special programs in the past year, although they hosted the 6th Cryptic District Grand Lecturer’s Convention on 4/28/10 with R.:I:. Curtis A. Banks in attendance.
KING DAVID No. 97 – DEXTER, NY

Official Visit on 10/15/09 – 10 present including A.G.L. Stuart Card

They have 29 members, held 5 assemblies with an average attendace of 10.7, and are able to do their own degree work. The Council carries a balance of about $1,000.00, with all accounts current. They hold one fund raiser annually to supplement dues. King David draws members from 3 Chapters and communicates with post cards and phone calls. They held a Memorial Service on 11/19/09 and plan to do so annually. Along with Sackets Harbor Chapter and Watertown Commandery they have presented “What is Cryptic Masonry” as the Chapter used the “Fervency and Zeal” program in Blue Lodge. R.:I.: Burtiss V. Goodnough – Recorder and hopefully Yours Truly, provide consistent leadership, along with I.: Kenneth Bates – Master. We greatly miss M. Eugene Ellis – a Charter Member of this Council.

SUMMARY

My second and final year as District Deputy of the 6th Cryptic District was both challenging and rewarding. I appreciate the confidence shown in me by M.:I.: Joseph Pozefsky and M.:I.: Arnold Palmer, the two Grand Masters under whom I have served. In recommending Stuart W. Card as my successor our District has great confidence in his leadership and organizational ability.

Respectfully Submitted,

M. Max Bovee
DISTRICT DEPUTY GRAND MASTER'S REPORT,
7TH DISTRICT 2009-2010

Cayuga Council No. 90

I feel this Council is strong, in that it has a group of members that are active, and participate in the livelihood of the Council: attending meetings, participating in degree work, going to Grand Council, and participating in the Charity Fund by raising money each meeting to get life memberships for a couple of members each year.

Weak point is that some of the members still struggle to read the ritual book on opening and closing. They do plan on starting a ritual degree club to remedy this shortcoming.

Ahwaga Council No. 30

I have to say that my Official Visit turned out to be more of a "Drop-in", as it was unannounced, and I sensed that a few of the companions seemed a little surprised by my visit. They seemed fairly competent in their ritual work, and are taking in new members. They say they do their own Degree work, which I find commendable.

I do not think at this time that I can be critical upon them by only one short visit, but by making a few more visits I may see more opportunities to be helpful.

R:.I:. Timothy A. Heslop
DORIC COUNCIL # 19

Doric Council is generally able to open for its meetings each month. Some of the members are dual members with another council within the district.

This council has been active holding regularly scheduled meetings, and is able to conduct degrees. One new Companion was greeted this past year, and two more Companions received the Royal Master Degree in May.

Ritual performance is generally conducted without the aid of Ritual books.

On Saturday July 17th, this council celebrated its Re-dedication, followed by a dinner, both well attended events. A number of dignitaries were in attendance, including Grand Master, M.I. Arnold E. Palmer.

PALMYRA COUNCIL # 26

Palmyra Council conducts its meetings each month, and has as a potential for drawing new members, a Royal Arch Chapter which shares the same meeting place, as well as other Chapters in the vicinity. The chapters themselves however, are not taking in an abundance of members, which presents complications for this council. Despite this, one new Companion was greeted this Cryptic Year, and also became a member of the local Commandery.

Ritual is conducted proficiently, and with a minimal usage of Ritual books.

Sadly, during the Cryptic Year, the Illustrious Master of Palmyra Chapter passed to the Great Architect of the Universe, leaving a noticeable gap in both this council and in the local Masonic community as a whole.
Hornellsville Council # 35

After having made an encouraging reversal in recent years, and once again being able to open, this council appears to have sadly, fallen upon hard times, and has been struggling to function, opening only two to three times per year. With the local Royal Arch Chapter facing a similar dilemma, no new members have been initiated within the past Cryptic Year. With help from other councils, opening is not a problem. Ritual work can be performed with minimal use of Ritual books by the Companions when the need arises. It is hoped that this council will once again make resurgence, and become self-sufficient and prosperous, with an increase in membership.

Bath Council # 40

Bath Council continues to be in abeyance, and has not opened during the past Cryptic Year. Heroic efforts were made in an attempt spearheaded by the previous DDGM, to revitalize this council, and several new Companions from other councils became dual members in an attempt to sustain these efforts. The Companions were hopeful that this council might be able to once again become viable. After a period of time however, it appeared to be the consensus among the membership to merge with Hornellsville Council # 35. Since that time, there has been lukewarm response to an attempt to once again become self-sufficient, but no action has been taken in that regard.

Skoi-Yase Council # 75

Skoi-Yase Council is faced with a problem common to many councils, in that lack of attendance poses difficulty in opening at times. When assistance is rendered by visiting Companions from other councils, opening appears not to be a problem.

No new Companions were received by this council during the past Cryptic Year.

There is evident, some usage of Ritual Books, but this is often the result of Officers substituting in chairs for those not in attendance.
Nun-Da-Wa-Ga Council # 92

Nun-Da-Wa-Ga Council is sufficient in conducting its monthly meetings and its Officers appear capable with few exceptions, of performing ritual without the use of Ritual Books. The council is generally able to open each month, and often has a number of Companions on the sidelines. On occasion, when needed, these Companions are proficient enough to substitute in vacant chairs. This council does conduct degrees throughout the Cryptic Year, and did greet one new Companion.

On Saturday, April 17th, Nun-Da-Wa-Ga Council celebrated its Re-Dedication, attended by Grand Master, R.I. Arnold E. Palmer, and other dignitaries.

ANNUAL NECROLOGY REPORT

Most Worshipful Grand Master, Most Illustrious Grand Master, Distinguished East and Companions all. Once again we have assembled to pay a final tribute of love and esteem for our departed companions. We especially note this year the passing of M:.I:. Wayne E. Carrington, Sr. Past Most Illustrious Grand Master, who presided over this Grand Council in 1994 and who presided over the Grand Council Charity Corporation for several years; and for those other Companions of this Grand Jurisdiction as listed on the last page of this report.

The Grand Chaplains are honored to have the privilege to lead this Grand Assembly in a final memorial tribute to their memories and whose lives are inseparably linked to ours by solemn and binding obligations, entered into before the Holy Altar of Freemasonry. Our Companions' deaths do not release us, nor would we be absolved from the duties imposed upon us by those obligations.

MEMORIAL SERVICE

CALL TO WORSHIP

Presiding Grand Chaplain: My Companions, for what purpose are we assembled?

All Companions Present: To honor the memory of those Companions whom death has taken from us; to contemplate our own approaching death, and by the remembrance of immortality, to raise our souls above the consideration of this transitory existence.

Presiding Grand Chaplain: Companions what sentiments should inspire us on occasions like the present?

All Companions Present: Calm sorrow for the absence of our Companions who have gone before us; earnest solicitude for our own eternal welfare, and a firm faith and reliance upon the wisdom and goodness of the Great Architect of the Universe.

Presiding Grand Chaplain: My Companions, in commending these sentiments to your earnest consideration, let us invoke the assistance of the Grand Architect of the Universe for this Memorial Service which is taking place.

PRAYER

Almighty God our creator and preserver, unto Thee we would lift up our hearts. We thank Thee for Thy great light shining in our world with everlasting brightness. We thank Thee for all who have walked therein, and especially for those near and dear, in whose lives we have seen excellence and beauty. May we know that in the constant reflection of Thy love they are with Thee; that when these earthly days shall come to an end, it is not that our service to Thee and one another will cease, but that it may begin anew. Lift us into life and love, purity and blessedness, and give us at last our portion with those who have trusted in Thee, and sought, in things temporal and spiritual, to do Thy will. Amen. (So Mote It Be)
Psalm 27:1, 4-8, 13-14

FINAL TRIBUTE

THE TOLLING OF THE BELL  (A Time of Secrecy and Silence - Bell Tolls Twelve)

MEMORIAL SALUTE:  (Chaplains go East of the Altar; Bow to the East and then Bow before the Altar facing West.)

(Statements and appropriate depositing of Flowers and Evergreen)

Brother Grand Chaplains join me in the East of the Altar.

As the labors on the secret vault are completed and our working tools have been laid aside at the close of day and herald the approach of a new day, so one-by-one we shall lay down in the darkness of the tomb, to wait in its calm repose for the time when the heavens pass away as a scroll, and man, standing in the presence of the Infinite, shall realize the true end of his pilgrimage here below.

Let this flower symbolize our remembrance of all the virtues of our Companions who have preceded us to the Silent Land, and serve as a token of that fraternal alliance which binds us while on earth, which we hope will finally unite us in heaven.

(Grand Chaplain deposits red flower on the altar, bows and returns)

In memory of our departed Companions, we deposit this pure white flower, emblematic of that pure life to which they have been called, as a reminder that as these children of an hour droop and fade away, so too, shall we soon follow those who have gone before us; and may it also incite us so to fill the brief span of our existence that we may leave to our survivors and companions that sweet savor of remembrance.

(Grand Chaplain deposits white flower on the altar, bows and returns)

It is appointed unto all men once to die, but after death, comes the resurrection. The dust shall return to the earth, and the spirit unto God who gave it. In the grave all men are equal. The good deeds, lofty thoughts, the heroic sacrifices alone survive, and bear fruit in the lives of those who strive to emulate them. And so, trusting in the infinite love and tender mercy of God without whose knowledge not even a sparrow falls, let us prepare to meet them where there is no parting, and where with them we shall enjoy eternal rest. Let us be reminded by the evergreen, a symbol of our faith, in immortal life; that the dead are but sleeping, and be comforted by the reflection that their memories will not be forgotten; that they will still be loved by those who are soon to follow them; that in our archives their names are written; and that in our hearts there is still a place for them.

(Grand Chaplain deposits evergreen on the altar, bows and returns.

Grand Chaplains Bow together. Each in turn gives Battery!) 

(Chaplains return to their Station)
PRAYER

Grand Chaplain

Our Father, who art in heaven, it hath pleased Thee to receive from among our Bands, those who were our Companions. Let time, as it heals the wounds thus inflicted upon our hearts and upon the hearts of those who were near and dear to them, not erase the salutary lessons engraved there; but let those lessons, always continuing distinct and legible, make us and them wiser and better. And whatever distress and trouble may hereafter come upon us, may we ever be consoled by the reflection that Thy wisdom and Thy love are equally infinite, and that our sorrows are not the visitations of Thy wrath, but the result of the great law of harmony by which everything is being conducted to a good and perfect issue in the fullness of Thy time. Be with us now, that we may serve Thee in spirit and understanding, and to Thy name shall be ascribed the praise forever. Amen.

(So Mote It Be!)

HYMN:

"I'll Fly Away"  (Sung by All)

Some glad morn-ing when this life is o'er, I'll fly a-way;
To a home on God's ce-los-tial shore, I'll fly a-way.
I'll fly a-way, O glory, I'll fly a-way;
When I die, hal-le-lu-jah, by and by,
I'll fly a-way.

When the shad-ows of this life have gone, I'll fly a-way;
Like a bird from pris-on bars has flown, I'll fly a-way;
I'll fly a-way, O glory, I'll fly a-way;
When I die, hal-le-lu-jah, by and by,
I'll fly a-way.

Just a few more wea-ry days and then, I'll fly a-way;
To a land where joys shall nev-er end, I'll fly a-way.
I'll fly a-way, O glory, I'll fly a-way;
When I die, hal-le-lu-jah, by and by,
I'll fly a-way.

BENEDICTION

Grand Chaplain

And now may the blessings of the Great Architect of the Universe rest upon us and all mankind; may brotherly love prevail throughout the world among Masons and all mankind and every moral and social virtue cement us, both now and forever more. Amen.

(This Memorial Service was assembled together from an assortment of resources on Masonic Memorial Services)

Respectfully Submitted,

Condition and Extension of the Rite

To the Companions of this Grand Council:

The overall consensus which the committee has reached is that the Condition and Extension of the Rite for our Grand Council is good but it is far from great. There are several problem Councils which need to be addressed in the very near future along with some communication problems. In the following paragraphs, each district will be summarized by Council. These summaries will be based upon reports received from the District Deputies, Grand Line Visitors, Grand Lecturer and the committees own observations.

1st District

Three Councils in the district are thriving. They are Columbian No. 1, Adelphic No. 7 and Suffolk No. 76. North Shore Council No. 88 is struggling but is sustaining itself. This Council has strong leadership which tends us to believe it will be ok.

The two main problem councils in this district are Adironiram Council No. 36 and Flatbush Council No. 80. Adironiram Council what is described by several reports as dysfunctional at the present time. The Council has had trouble holding meetings having only opened once since last September and that was the night of the DDGM Official Visit, which required several visitors to open. Typically, they seem to get participation from 3-5 companions and not every meeting. Additionally there is a lack of communication in the council. They have 7 Companions on the Trestleboard, and these petitions need to be handled as well. The good news is that the Deputy Master expects to step-up to IM, and a new Recorder and a new Treasurer have been identified and assented to taking-on the posts and tackle the problems of the Council along with the other council officers. The Grand Council along with the DDGM will keep in contact and offer their assistance.

Flatbush Council is also struggling to open and to have meetings. The Grand Lecturer reported at his convention which was held on March 23 that Bay Ridge Commandary is forming a partnership with them in hopes of revitalizing this Council. They had a good turn out of members for the Convention and have begun this process. The Grand Council will be offering them assistance.

2nd District

All the Councils in this district seem to be doing well and are reported as stable by the DDGM. There are a couple of area of concern for a couple of the Councils. As of this writing, Peeskill Council was still looking for a place to meet as the Temple was sold which they were meeting in. They had a meeting set up with the Trustees of West Point Lodge to hold their meeting there. Union No. 2 has had candidates waiting in the wings for over a year to receive their degrees. They only meet three times a year and that is the main reason that they have not received them yet. The DDGM reports that he is working on solving this problem. The Grand Council has offered their assistance as well. The other two councils are doing well as they are opening and closing every meeting as well as taking in new members.
4th District

From all the reports which the committee has received, this District is doing quite well. All four Councils, Bloss-DeWitt Council No. 14, Joseph Warren Cryptic No. 37, St. George’s No. 74 and Oneonta No. 87 are able to open every meeting and are taking in new members. The committee would like to commend Joseph Warren Cryptic No. 37 as over the past few years through the hard work of many, they have been "brought back from the dead." The only negative that can be found is that at last year's Annual Assembly, it was decided that two of the councils had to be dropped because of membership concerns.

6th District

The reports that the committee has received seem to indicate that this district is getting by. There are problems as there are no candidates in waiting for any of the councils except for Rotica and Central City. Unfortunately the ones in Rotica have been waiting for over a year. All the councils except for one are meeting regularly and are reported as able to do their own degree work.

The one problem Council in this District is King Hiram #18. They have however began to take steps to improve. Several members from other Councils in the area have taken dual memberships with them and in the process of changing their by-laws to accommodate other potential members in the area. One local lodge in the area held a concordant bodies night and there did seem to be some interest. The Grand Council has offered assistance and is working with them.

7th District

This is the smallest District in the Grand Council as there are only two Councils in it. This is a major concern with the committee as it is getting harder to find Companions willing to serve as DD and AGL. As a matter of fact there is currently no AGL for this district. It is recommended that Grand Council might look into moving one Council into this district.

As far as the Councils are concerned, Cayuga Council #90 is doing quite well. Except for the Illustrious Master, all the Companions in the line have never served as Illustrious Master. They are getting much better on opening and closing but due to some illnesses have had to shuffle some Companions around. They actually did their own degrees for their last batch of candidates. Ahwaga Council No. 30 is holding their own. They recently have read four petitions for membership and have gotten permission from our Grand Council to have a delegation from Pennsylvania put on the Royal Degree.
8th District

Five of the six Councils in this district are doing well. Doric #19, Palmyra #26, Hornellsville #35, Skoi Yase #75 and Nun Da Waga #92 are all meeting on a regular basis. The only problem is that there do not seem to be many candidates in waiting.

Bath Council No. 40 is the one problem Council in this district. They have not held any meetings in quite awhile. Their membership is getting older and they have no candidates in waiting. They also have had to re-locate recently due to the sale of the Masonic Temple in Bath. The committee has learned that they have sent a letter to Hornellsville Council asking them about the prospects of a merger with them. As of this writing, Hornellsville Council was to bring this up at their meeting in June. If ok'd by them, then the new Grand Master along with several Companions will be at Bath's next assembly in September to take a final vote and take the final steps for a merger.

9th District

The three councils in the district are either holding their own or are doing quite well. Dunkirk No. 25 is holding meetings but are in need of an influx of new members.

Hamburg Council No. 91 is strong and able to do its own degrees. Rituals are in use to do some degree work.

Buffalo-Keystone Council No. 17 is doing ok. They recently voted to move to the Masonic Temple in Cheektowaga as it is easier for their members to get in and out of.

In conclusion, this detailed report was made not to embarrass those Councils in trouble but quite the opposite as a means to get them the help they need. Steps will be taken in this regard beginning with the 2010-2011 Cryptic Year. The committee would like to thank all the District Deputies, Grand Line Officers and the Grand Lecturer for their timely reports which contributed to this report.

Respectfully submitted,

July 13, 2010

The committee reviewed three (3) By-Laws changes: Buffalo-Keystone Council No. 17 changing meeting place and day of the month of their meetings, King Hiram Council No. 18 changing which months they will meet and King David Council 97 changing meeting place, meeting night and how to set due with a slight modification this committee recommended.

The committee moves that Grand Council approves these changes.

A proposed change to the Constitution and General Regulations submitted by R.: I.: David H. Raymond, Deputy Grand Master, and the committee find it in proper form to be adopted.

Report of the Masonic Education, Membership and Public Relations Committee

During this past year, this committee started working on several things which should improve the quality of training for all the Companions. RI Len Mason along with MI Charles Roberts have been working on re-creating the training manuals which were put together several years ago for the Grand Line Officers along with the District Deputies. As of this writing, they were getting very close and the committee hopes to have them in place by the Annual Grand Council Assembly. The committee also solicited the help of RI Curtis Banks, Grand Lecturer, to write a training manual for the Assistant Grand Lecturers which he agreed to do. In the near future, it is our hope that there will be some of training available for the officers of the individual councils. In the meantime, all Companions are encouraged to take the training courses that are available through Grand Lodge. This is the main thing we worked on during the past year.

The committee also proposed to the new Grand Master that this committee be split up in order to give each duty that the committee is assigned the proper attention that is needed. It was proposed that Masonic Education and Communication be one committee, Membership be its own committee and Public Relations be assigned to the Awards Committee. A recommendation which the new Grand Master will implement.

The committee would like to thank all the Companions who had input on which direction it should go. It is our goal that this report will be more detailed next year as many talented Companions have agreed to serve on the three committees.

Respectfully submitted on behalf of the committee, David H Raymond, Chairman
Ritual Committee

There are no recommendations for changes.

Due to budgetary constraints, it was not possible to have a meeting of the committee.

An enlarged edition of the Standard Work and Lectures was provided for the members to make it easier to check for typographical errors in the ritual.

Our thanks to the Grand Master for the appointment to the committee.

Chairman
Report on the Northeast Conference

Companions,

The Northeast Regional Cryptic Conference is scheduled for September 24-25 at the Crowne Plaza in Albany.

We will be on our own for this one, not connected with Chapter or Commandery, due to the fact of the conflict in dates.

I was asked by the General Grand Master, Joe Vale, to help with the arrangements, together with the Southeast Regional Deputy Grand Master, Doug Soltow.

There are registration forms available at the registration desk, containing the necessary information.

Fraternally
