

Grand Council of Cryptic Masons State of New York

Companions,

The following new paragraph [f] of Section 16 of the General Regulations of the Grand Council was adopted at the 184th Grand Council Assembly on August 17, 2007.

The establishment and continuance of a Grand Master's Fund is hereby authorized. It shall consist of monies designated to said fund when raised by a Grand Master or his projects. Donations may be received by said fund. Expenditures from said fund shall be at the discretion of the Grand Master and shall be for charitable or fraternal purposes, excluding personal but including travel expenses of the Grand Master. The Grand Master may appoint a committee consisting of a member of his council and to include a member of the advancing Grand Council line to assist him in the operation of said fund. Monies unexpended at the end of his term as Grand Master shall constitute the initial fund of the succeeding Grand Master. The Grand Master's Fund shall be subject to audit in the same manner as the General Fund of the Grand Council, but shall not be accounted for by the Grand Recorder nor in the charge of the Grand Treasurer.

Grand Master,

I have read section [f] of the General Regulations as stated above and would like to contribute to the Grand Masters Fund. I understand that personal expenses are excluded and that the Grand Master may use the funds at his discretion, provided that a bill or voucher is submitted for payment to the committee.

I would like to contribute \$ _____ for your use and I will make the check out to:
